Evening Community Meeting: Clean Transportation Incentives for a Cleaner California

Public Workgroup Meeting
January 21, 2025

Meeting Agreements

- Be respectful
- Take space, make space
- Listen to understand
- Strive to follow an equitable approach when helping to strategize solutions for our clean transportation incentive programs
 - Equity recognizes that advantages and barriers exist, and that, as a result, we do not all start from the same place

Evening Community Meetings

Monthly community meetings will provide a space for community members across the state to engage with California Air Resources Board staff.

Community Meeting Goals

- Hold a platform for community voices and their priorities
- Brainstorm solutions for clean transportation needs
- Highlight the most important information for communities
- Continuous two-way communication between staff and communities

Today's Agenda

Program Overview

Clean Mobility Options provides funding in California's historically underserved communities, including tribes to:

- Develop and launch affordable clean mobility option projects to fill a community's transportation gaps and increase accessibility
 - Electric carsharing and vanpool
 - Active transportation (e.g., bikeshare)
 - Innovative transit services (on-demand electric shuttles)
 - Fixed-route transit services
- Meaningfully, inclusively engage residents throughout the process for community-led solutions

Program Overview (cont.)

~\$91.4M allocated to date

- **Application Window 1 (2020-21)**
 - 24 Community Transportation Needs Assessments (CTNA)
 - 20 Mobility Project Vouchers (MPV)
- **Application Window 2 (2023-24)**
 - 12 CTNA
 - 17 MPV
- **Clean Mobility Equity Alliance network (CMEA)**
- **Comprehensive technical assistance**

Proposed Change to Project Criteria

Current Criteria

- All eligible costs during Planning and Construction period (up to 15 months after kickoff) and the first 3 years of Service Operation period are reimbursable.
- During Year 4 of Service Operation and until the voucher agreement ends, **only** administrative activities are reimbursable.

Proposed Change to Project Criteria (cont.)

Option 1: Keep current requirements.

Option 2 (Recommended): Allow operational expenses during 4th year of service.

Thank you!

Reflections on the FY 2024-25 Funding Plan Development Process

Reflections: Funding Plan Development Process

- Continued same process as in 2023:
 - Shorter timeframe (June – November)
 - Fewer meetings with combined topics
 - Monthly Evening Community Meetings
- Poll Questions
