☐ By checking this box, you acknowledge that this registration is for the wood processing machine only and that the engine may need separate registration.

☐ By checking this box, you acknowledge that this equipment unit requires the use of wet suppression.

Instructions for Completing This Form

By submitting this request, you are agreeing to complete the registration process, including payment of applicable fees.

Forward the completed application without payment to:
PERPapplications@arb.ca.gov

Upon receipt of completed application, we will provide you with an invoice for the fees due.

Note: If the wood processing unit is self-propelled, then the engine is not eligible for registration in the Portable Equipment Registration Program (PERP) but may need to be reported in the Diesel Off-Road Online Reporting System (DOORS). The wood processing unit itself may still be registered under PERP. For information about off-road diesel vehicles or to enter a vehicle into DOORS, visit the DOORS website at https://ww2.arb.ca.gov/our-work/topics/construction-earthmoving-equipment.

Note: To determine home district by location, visit the District Look Up website at https://public.tableau.com/app/profile/california.air.resources.board/viz/CARB_AirDistrict_Lookup_update/Air_District_Lookup.

Privacy Statement

Note that under the California Public Records Act (Gov. Code, § 7920.000 et seq.), your submissions, including associated contact information (e.g., your address, telephone, email, etc.) become public records and may be released to the public upon request. Personal information will be protected from disclosure as required by law, including under the Information Protection Act (Cal. Civ. Code, § 1798, et seq.). Information that is claimed to be confidential should be submitted as provided in CARB's regulations for submitting confidential data, California Code of Regulations, title 17, section 91011.

The information provided may be released (1) to the public upon request, except trade secrets which are not emission data or other information which is exempt from disclosure or the disclosure of which is prohibited by law, and (2) to the federal Environmental Protection Agency, which protects trade secrets as provided in Section 114(c) of the Clean Air Act and amendments thereto (42 USC 7401 et seq.) and in federal regulations. 17 Cal. Code Regs, tit. 17, § 91010.
