

Truck Regulation Implementation Group: Infrastructure Workgroup Meeting 8 Agenda

August 11, 2025
1:00-3:00 P.M. PDT

Topic: *If I buy a zero-emission truck, where can I fill up?*

- Introduction
- Presentations from First Element Fuels, Shell, Pilot, WattEV, Forum Mobility and Prologis each covering:
 - Public and semi-public charging and hydrogen stations for medium- and heavy-duty trucks
 - Stations open today and planned
 - Hours of operation
 - Number of ports/dispensers and charge/fill rates
 - Station access, pricing, and conditions for use
- Q&A and focused discussion
- Closing Remarks
