

AB 617 Implementation Funds Final Report

I.	Report Number:	CAP Implementation Year 6 Final Report
	Title:	Community Air Protection Program Implementation
	Reporting Period:	Final
	Name of Grantee:	Glenn County Air Pollution Control District
	Grant Number:	G22-CAPP-10
	Date of Submission:	8/12/2025

II.	<p>Costs associated with specific tasks: <i>(for example: identifying location for monitoring, deploying community air monitoring systems, fence-line monitoring, reporting emissions, developing a community emissions reduction program, establishing best available retrofit control technology requirements, adopting an expedited schedule for the implementation of best available retrofit control technology, community meetings or other Community Air Protection implementation efforts and outreach). Information for outreach events must include the date, location, topics, and number of attendees, for each event.)</i></p>
<p>Staff time to train and complete annual emissions inventory related to Criteria and Toxics Reporting (CTR), participating in public meetings, performing public outreach on past and current CAP implementation projects, hosting outreach tables at community events including the 8th Grade Career Day, Elk Creek Ice Cream Social, the Glenn County Fair.</p>	

III.	<p>How is grant being utilized to meet goals of AB 617: <i>(If applicable, include emissions reductions being achieved)</i></p>
<p>According to the California Climate Investments Priority Populations Mapping Tool 4.0, most of the population of Glenn County lives within a disadvantaged or low-income community. These outreach events provide air quality information to residents in communities most impacted by air pollution, contributing to cleaner air and a healthier environment. Enhanced Criteria and Toxic emissions reporting data will be added to the state database of toxic emissions accessible to the community.</p>	

IV.	<p>Summary of work completed and in progress since the last progress report:</p>
<p>Staff attended numerous outreach events outlined above sharing information on District emission reduction projects. Staff trained and learned to report on enhanced Criteria and Toxics Reporting (CTR) as required by the state emissions reporting program.</p>	

V.	<p>Grant funds remaining and expended:</p>
<p>See attached</p>	

VI.	<p>Expenditure summary showing all Community Air Protection Program Implementation Funds for which reimbursement is being requested:</p>
<p>Not requesting reimbursement funds to the district.</p>	

Glenn County Air Pollution Control District AB 617 Implementation Accounting

Date	Hours	Rate	Item	Description	AMOUNT
			Grant Number G22-CAPP-10		\$25,497.00
