

Clean Truck Check Testing Area

An aerial photograph of a large, multi-story building complex, likely a convention center or hotel. The building has a modern design with a mix of glass and concrete. Surrounding the building are several parking lots, some of which are filled with cars. There are also some trees and landscaping around the building. Four yellow arrows point to specific areas of interest, each labeled with a text box. The labels are: 'Clean Truck Check Testing Area' (top left), 'Event Entrance. Check-in & Registration' (top right), 'Main Parking Entrance' (bottom right), and 'Clean Truck Check Entrance' (bottom left). The address '2200' is visible on the building's facade near the Event Entrance.
