Subject: RE: CARB Request: MPO target recommendation for SB 375 target update - by October 31, 2024

Hi John,

Attached is copy of the Target Recommendation Data Request which has been partially completed for the BCAG region. It contains currently available information from BCAG's Draft 2024 RTP/SCS. A specific target recommendation has not been included, for reasons stated in our joint letter provided to ARB on September 27th.

Thank you,
