

KNOW YOUR REPORTING & EMISSIONS REQUIREMENTS

Clean Truck Check
applies to almost all
diesel and alternative
fuel heavy duty vehicles
with a GVWR over
14,000 pounds, including
California motorhomes,
and agricultural vehicles.

CARB 11 (Rev 9/2024)

To comply with
Clean Truck Check
and avoid a registration
hold, vehicle owners
are required to:

- Pay an annual compliance fee.
- Submit passing emissions compliance tests.
- Ensure emissions equipment is functioning properly.
