

DRIVE FORWARD

Tribal Listening Session

February 17, 2026

10:00 a.m. - noon PT

Remote via Zoom

Call-in number
provided upon
registration

The California Air Resources Board (CARB) invites California tribes to participate in a listening session focused on the Drive Forward Initiative, which is the next phase of policies to support clean transportation. During this listening session, CARB staff will hold a discussion about CARB's Drive Forward initiative, clean transportation incentives, and listen to tribes regarding clean transportation needs, concerns, and questions.
