

## Compliance Instrument Tracking System Service Registrants Report March 30, 2026

This report lists the entities that have registered in the Compliance Instrument Tracking System Service (CITSS) and have accounts as of noon the business day before the date listed above. There may be account changes that are in progress such as facility retirements and change of facility ownership that are not yet reflected in the report. The “Legal Name” is the entity’s legal name as entered by the registrant. If a voluntary entity is an individual, the individual’s name is listed as the “Entity Legal Name.” The “Entity ID” is the unique identification number for each entity. “Entity Type” is the status of the entity as a covered entity, a previously covered entity, or a voluntary (general) participant in the Cap-and-Invest Program. “Mandatory Reporting GHG ID(s)” is the reporting ID of the facilities subject to the Mandatory Greenhouse Gas Reporting Regulation that are associated with the entity. This list contains entities registered in CITSS pursuant to California’s Cap-and-Trade Regulation and does not include entities registered in a linked jurisdiction’s program.

**This report is updated on the last business day of each calendar quarter.**
