

2027 Primary Quality Assurance Organization (PQAO) Training

📌 CALL FOR VOLUNTEERS: CURRICULUM ADVISORY COMMITTEE MEMBERS

Make an impact. Share your expertise. Get involved!

Help Shape the 2027 PQAO Training (*Tentatively May 2027, Davis, CA*)

Seeking volunteers from the air monitoring community to serve on the California Air Resources Board's (CARB) Curriculum Advisory Committee for the upcoming 2027 PQAO Training. Members will collaborate with fellow air monitoring colleagues to help inform the training curriculum and provide input, guidance, and support to strengthen and enhance the program.

❖ **Who Should Apply**

Any interested party, including subject-matter experts from:

- CARB
- U.S. Environmental Protection Agency
- Other California PQAOs
- California Monitoring Organizations

❖ **Responsibilities**

- Attend monthly virtual meetings
- Identify subject matter to be covered in the training
- Identify existing training material or need for new content as necessary
- Identify presenters
- Review curriculum materials to ensure intended goal of the training is met
- Provide feedback and recommendations as necessary

❖ **Commitment**

- Volunteer position
- Virtual meetings: Held monthly from September 2026 - April 2027; ~ 3 hours per meeting
- Preparation/Review time: ~ 4 - 5 hours between meetings for responsibilities identified above

📅 **Apply by:** May 31, 2026
