Re: Petition for rulemaking to add dams and reservoirs as reporting entities under the Regulation for the Mandatory Reporting of Greenhouse Gas Emissions

Dear Chair Sanchez:

On behalf of Tell the Dam Truth (TTDT), Patagonia, Friends of the River (FOR), Rios to Rivers, Save The World's Rivers, Ridges to Riffles, California Trout (CalTrout), and the Center for Biological Diversity (the Center), we respectfully submit the attached Petition for Rulemaking to the California Air Resources Board (CARB) pursuant to California Government Code § 11340.6. The Petition contains extensive legal and factual support for this request, but should CARB require further information or clarification, we would be happy to provide that.
