

Public Workshop: Introduction to the Roadmap to Reduce Air Toxics

Tuesday, August 25, 2026, 5-7 p.m.

Workshop will be recorded and available for later viewing

Workshop Information

CARB invites you to a virtual public workshop on the Roadmap to Reduce Air Toxics. The roadmap will guide our actions on toxic air pollution moving forward.

During the workshop, the public should expect:

- A detailed introduction to the roadmap
- An outline of next steps for roadmap development
- An opportunity to provide input

Register for the Workshop

The public workshop will be held via a Zoom meeting.

Please register prior to the event. Upon completion, you will receive an email with information on how to join the public workshop via digital/computer device or telephone.

Stay Connected

Visit our website to view the roadmap document and to share your ideas in the public docket. The informal docket will close in early September.
