AIR PURIFIER TESTIMONY

GOOD MORNING, MY NAME IS LEVI WHITE AND I RESIDE IN THE CITY OF ESCONDIDO IN SAN DIEGO COUNTY. I SERVED TWENTY SIX (26) YEARS IN THE MARINE CORPS AND HAVE LIVED IN THIS GREAT STATE FOR OVER TWELVE YEARS. WHILE SERVING IN THE MILITARY I DEVELOPED SOME ALLERGIES WHICH CAUSED ME TO EXPERIENCE A VERY SERIOUS SINUS PROBLEM. I MADE MANY TRIPS TO THE DOCTORS AND AT ONE POINT THEY CONSIDERED DRAINING MY SINUSES. AFTER RETIRING, I WENT INTO CONSTRUCTION AS AN ELECTRICIAN, WHERE MY SINUS CONDITION BECAME WORST. I CONTINUED SEEING DOCTORS PERIODICALLY AND TAKING THE MEDICATIONS FOR SEVERAL YEARS. HOWEVER, THE MEDICATION ONLY GAVE TEMPORARY RELIEF. THEN ABOUT FIVE YEARS AGO A FRIEND INTRODUCED ME TO A LIVING AIR PURIFIER. I TRIED IT AND AFTER ONE DAY I KNEW THAT THIS WAS THE ANSWER TO MY SINUS PROBLEMS. MY EYES WERENT WATERING ANYMORE AND MY SINUS HEADACHES WERE GONE. I HAVE RAN MY AIR PURIFIER EVERY DAY FOR THE LAST FIVE YEARS AND I HAVEN'T VISITED A DOCTOR FOR AN ALLERGY OR MY SINUSES SINCE THAT TIME. FINALLY, MY QUESTION IS SIMPLY THIS, IF YOU TAKE AWAY MY RIGHT TO CHOSE WHAT KIND OF AIR PURIFIER I CAN HAVE IN MY HOME, WHAT ARE YOU GOING TO OFFER ME IN IT'S PLACE? THANK YOU.
