My wife, ^{ZSUZANNAH} AND I HAVE AIR PURIFIERS IN OUR HOME. ZSUZANNAH IS SENSITIVE TO ENVIRONMENTAL CHANGES.

WITH THE PURIFIERS RUNNING - ONE IN OUR BEDROOM SHE SLEEPS BETTER. SHE HAS BEEN A PERSON WHO LIKES PETS BUT WAS NOT ABLE TO HAVE THEM. THE AIR PURIFIERS HAVE NOT ONLY PROVIDED HER WITH COMFORT BUT WE NOW HAVE TWO CATS.

I RECENTLY RETURNED FROM THE PANAMA. WHILE THERE I WAS IN A HOTEL WITH 14 OTHERS FROM AMERICA I WAS THE ONLY ONE WHO SEEMED TO BE SLEEPING WELL. WHY. BECAUSE I HAD WITH ME A SMALL PORTABLE PURIFIER. THE ONE THING ALL OF OUR ROOMS HAD IN COMMON THAT MIGHT BE THE PROBLEM WAS A WINDOW AIR CONDITIONER. THE PROBLEM WAS THAT THEY HAD MILDEW IN AND ON THEM. MY LITTLE PURIFIER NOT ONLY TOOK CARE OF THE

THE STALE GARDEN ODORS BUT WERE
SUBP. BETTER.

A COUPLE OF YEARS AGO OUR
SEWER LINE SPLIT UNDER OUR
FLOORING. UNFORTUNATELY WE DID
NOT KNOW IT RIGHT AWAY BECAUSE
OUR PURIFIER RID THE AIR OF ODORS

~~HE~~ MORE RECENTLY OUR WIFE
WHO BRINGS ~~HER~~ CHILDREN TO
OUR HOME TO GO SWIMMING LEFT
OUR HOME BECAUSE HER ALLERGIES
WERE IRRITATING HER. SHE CAN
NOT STAY IN AN AREA WITH CATS.

WHAT WAS UNUSUAL WAS THAT
OUR PURIFIERS WERE IN A SERVICE
CENTER FOR SERVICING. NORMALLY
SHE DOES NOT HAVE THIS PROBLEM
IN OUR HOME.
