CARB SIP UPDATE
APRIL 28, 2011

- You have not produced the updated "Tran" report, promised in Dec '09 when you finally admitted to the full Board you kept the truth from them about his lack of degree. *ONLY AN UNAUTHORIZED OPINION PEECE.*
- We had the Science Symposium Jerrett agreed with Enstrom. THE KREWSKI STUDY DOES NOT APPLY TO CA
- YET, You continue to use "selective studies" to try to support your position to control PM, ignoring conflicting studies. *STILL CHASING THE PM BOGEYMAN.*
-
- All you have is "scientific pretense", with no supporting evidence, just BS ram-rodded down the throats of business.
-
-
- THERE IS NO PREMATURE DEATH EFFECT FROM PM 2.5 *IT IS JUST A PHANTOM MENACE*
-
- Thus, there is no "health savings"
- But there is tens of Billions of \$ in cost
-
- Asthma cases continue to increase, while air continues to get cleaner. An inverse relationship.
- Maybe we should attempt to increase the pollution to help sufferers?

11/5/11

- As a Board serving the residents of CA, SUPPOSEDLY FOR HEALTH PURPOSES, you should be ashamed of your behavior and resign your positions.

- THERE IS A DIRECT RELATIONSHIP BETWEEN UNEMPLOYMENT, POVERTY AND HEALTH. NO BS HERE.

- IF YOU HAD ANY ETHICS, YOU WOULD ALL RESIGN YOUR POSITIONS ON THIS BOARD.

- *REGULATIONS EXTRACT CAPITAL, INCREASING UNEMPLOYMENT.*

- If you do not, you should at least completely reassess the need for a SIP in CA, regardless of the supposed "mandate" by the FEDS. STRAP ON SOME CAJONES AND TELL THE FED TO POUND SAND.

- CALIFORNIA AND ITS PEOPLE ARE BROKE.

- *THE PEOPLE SPEAKING TO YOU TODAY ARE THE "CANARIES" IN WHAT ONCE WAS THE CA "GOLD MINE", WHOM YOU HAVE DESTROYED BY YOUR DESTRUCTION OF PERSONAL ASSETS THAT USED TO HAVE PROVIDED EMPLOYMENT IN CA. WITHOUT JUSTIFICATION.*

- The people speaking to you today are the "canaries" in what once was the CA "gold mine", whom you have destroyed by your destruction of personal assets that used to have provided employment in CA. WITHOUT JUSTIFICATION.

- *IGNORE THE CANARIES AT YOUR PERIL.*

- ILLIGITMUS NON CARBONUNDOM
