Everything you are trying to do here is illegal.

Have you never read Health and Safety Code 43150 which states; "The Legislature finds and declares that the people of this state, in order to achieve the purposes of this part, have a special interest in ensuring that only those motor vehicles and new motor vehicle engines which meet the states stringent emission standards and test procedure, which have been certified pursuant to this chapter, are used and registered in this state. THE LEGISLATURE ALSO FINDS AND DECLARES THAT THIS SPECIAL INTEREST MUST BE PROTECTED IN A MANNER WHICH WILL NOT UNDULY AND UNREASONABLY INFRINGE UPON THE RIGHTS OF THE PEOPLE OF THIS STATE AND OTHER STATES TO TRAVEL AND DO BUSINESS INTERESTATE."

The Legislature has clearly spoken their intent about regulation of vehicles in California. Thus any regulation put forth by CARB in the ACF and the ACC runs contrary to West Virginia vs. EPA. 2022.

Governor Newsom violated the Constitution in banning gas cars and trucks by implementing Executive order 79-20.

Vote NO on the Advanced Clean Fleet. Revoke and Rescind the Advanced Clean Cars II.
