Comment 1 for Portable Engine ATCM and PERP Regulation (perp2017) - 15-1.

First Name: Michele

Last Name: McManus

Email Address: wilsonag@atginternet.com

Affiliation:

Subject: Portable Engines

Comment:

As the committee is evaluating the Statewide Portable Equipment, please make sure to look at the equipment's jobs. Some of the equipment help reduce the particulate matter by running and doing their job. If a piece of equipment reduces the burning of agricultural brush or trees, limiting or increasing cost may actual add to more particulates. I hope the committee looks at all sides of the information.
