

EXECUTIVE ORDER D-215-116

Relating to Exemptions Under Section 27156
of the California Vehicle Code

Edelbrock, LLC
Edelbrock Supercharger, Part Numbers 1556 and 15560

Pursuant to the authority vested in the California Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Section 39515 and Section 39516 of the Health and Safety Code and Executive Order G-19-095;

IT IS ORDERED AND RESOLVED: That installation of the Edelbrock Supercharger, manufactured and marketed by Edelbrock, LLC, 2700 California Street Torrance, California 90503, has been found not to reduce the effectiveness of the applicable vehicle pollution control systems and, therefore, is exempt from the prohibitions of Section 27156 of the Vehicle Code for the following vehicle applications:

Model Year	Make	Model	Engine Size
2012-2019	Subaru	BRZ	2.0L
2012-2016	Scion	FR-S	2.0L
2017-2019	Toyota	86	2.0L
2018-2019	Subaru	BRZ TS	2.0L

The Edelbrock Supercharger consists of the following main components: Eaton TVS R1320 supercharger, intake manifold, intercooler, supercharger by-pass valve, air intake tubing with new air filter box, ECU upgrade without user adjustments, and a MAP sensor. The stock radiator thermostat is retained. The PCV breather hose may be replaced or modified with SAE30R9 rated hose, Avon's CADbar 9000 series hose, or OEM replacement equivalent. Vapor line may be replaced or modified with Avon's CADbar 9000 series hose or OEM replacement equivalent. All supplied fuel hoses are OEM replacement equivalent, or a stock factory replacement fuel and vapor line connectors supplied with the kit are OEM equivalent parts. **Maximum boost is 9.0 psi.**

This Executive Order is valid provided that the installation instructions for the Edelbrock Supercharger will not recommend tuning the vehicle to specifications different from those specified by Edelbrock, LLC.

Changes made to the design or operating conditions of the Edelbrock Supercharger, as exempt by the California Air Resources Board, that adversely affect the performance of the vehicle's emission control system shall invalidate this Executive Order.

This Executive Order shall not apply to any Edelbrock Supercharger advertised, offered for sale, sold with, or installed on a new motor vehicle prior to or concurrent with transfer to an ultimate purchaser.

Marketing of the Edelbrock Supercharger using any identification other than those shown in this Executive Order or marketing of the Edelbrock Supercharger for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the California Air Resources Board.

This Executive Order does not constitute any opinion as to the effect the use of the Edelbrock Supercharger may have on any warranty either expressed or implied by the vehicle manufacturer.

Exemption of the Edelbrock Supercharger shall not be construed as an exemption to sell, offer for sale, or advertise any component of the assembly as individual devices.

This Executive Order is granted based on information submitted by Edelbrock, LLC, including emissions test data.

The California Air Resources Board reserves the right in the future to review this Executive Order and the exemption provided herein to assure that the exempted add-on or modified part continues to meet the standards and procedures of Title 13, California Code of Regulations, Section 2222, et seq.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE CALIFORNIA AIR RESOURCES BOARD OF ANY CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF THE EDELBROCK SUPERCHARGER.

No claim of any kind, such as "Approved by the California Air Resources Board", may be made with respect to the action taken herein in any advertising or other oral or written communication.

Violation of any of the above conditions shall be grounds for revocation of this order. The order may be revoked only after a ten-day written notice of intention to revoke the order, in which period the holder of the order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the order may not be revoked until a determination is made after the hearing that grounds for revocation exist.

Executed at ~~El Monte, California~~, this 8TH day of April 2020.

Allen Lyons, Chief
Emissions Certification and Compliance Division
