

State of California
AIR RESOURCES BOARD

EXECUTIVE ORDER D-319
Relating to Exemptions Under Section 27156
of the Vehicle Code

CALLAWAY CARS, INC.
CALLAWAY SUPERNATURAL LT1

Pursuant to the authority vested in the Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Sections 39515 and 39516 of the Health and Safety Code and Executive Order G-45-5;

IT IS ORDERED AND RESOLVED: That the installation of the Callaway SuperNatural LT1 manufactured by the Callaway Cars, Inc. of 3 High Street, Old Lyme, Connecticut, 06517 has been found not to reduce the effectiveness of the applicable vehicle pollution control system and, therefore, is exempt from the prohibitions of Section 27156 of the Vehicle Code for 1992 and 1993 Corvettes equipped with a 5.7L engine.

The Callaway Cars, Inc.'s Callaway SuperNatural LT1 includes a modified short block, camshaft, crankshaft, pistons, cylinder heads, intake manifold, exhaust system, throttle-body, and PROM chip.

This Executive Order is valid provided that installation instructions for the Callaway SuperNatural LT1 will not recommend tuning the vehicle to specifications different from those submitted by the Callaway Cars, Inc.

Changes made to the design or operating conditions of the Callaway SuperNatural LT1, as exempt by the Air Resources Board, which adversely affect the performance of a vehicle's pollution control system shall invalidate this Executive Order.

Marketing of the Callaway SuperNatural LT1 using any identification other than that shown in this Executive Order or marketing of the Callaway SuperNatural LT1 for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the Air Resources Board.

This Executive Order does not constitute any opinion as to the effect the use of the Performance Package may have on any warranty either expressed or implied by the vehicle manufacturer.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF CALLAWAY CARS, INC.'S CALLAWAY SUPERNATURAL LT1.

No claim of any kind, such as "Approved by the Air Resources Board" may be made with respect to the action taken herein in any advertising or other oral or written communication.

CALLAWAY CARS, INC.

EXECUTIVE ORDER D-319
(Page 2 of 2)

Violation of any of the above conditions shall be grounds for revocation of this order. The order may be revoked only after ten day written notice of intention to revoke the order, in which period the holder of the order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the order may not be revoked until a determination after hearing that grounds for revocation exist.

Executed at El Monte, California, this 6th day of May, 1993.

A handwritten signature in black ink, appearing to read "R. B. Summerfield", is written over the printed name and title.

R. B. Summerfield
