

State of California
AIR RESOURCES BOARD

EXECUTIVE ORDER D-407
Relating to Exemptions Under Section 27156
of the Vehicle Code

AUTOMATIC TRANSMISSION PARTS, INC.
ATP LOCK-UP DELAY HARNESS

Pursuant to the authority vested in the Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Section 39515 and Section 39516 of the Health and Safety Code and Executive Order G-45-9;

IT IS ORDERED AND RESOLVED: That the installation of the ATP Lock-Up Delay Harness manufactured by Qualitronics of 635 South E Street, Richmond, Indiana 47375, and marketed by Automatic Transmission Parts, Inc. of 5940 Oakton Street, Morton Grove, Illinois 60053 has been found not to reduce the effectiveness of required motor vehicle pollution control devices and, therefore, is exempt from the prohibitions of Section 27156 of the Vehicle Code for General Motors vehicles equipped with the TH-125C 3-speed automatic transmissions (1981-1995 model-years), the TH-700-R4 (1981-1992 model-years) and the TH-440-T4 (1985-1992 model-years) automatic overdrive transmissions, as listed in the Exhibit, which is attached hereto and incorporated herein.

This exemption shall not apply to any device, apparatus, or mechanism advertised, offered for sale or sold with, or installed on, a motor vehicle prior to or concurrent with transfer to an ultimate purchaser.

This Executive Order is valid provided that the installation instructions for this device will not recommend tuning the vehicle to specifications different from those submitted by the system manufacturer.

Changes made to the design or operating conditions of the device, as exempted by the Air Resources Board, that adversely affect the performance of a vehicle's pollution control system shall invalidate this Executive Order.

Marketing of this device using any identification other than that shown in this Executive Order or marketing of this device for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the Air Resources Board.

This Executive Order does not constitute any opinion as to the effect that the use of this device may have on any warranty either expressed or implied by the vehicle manufacturer.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF ANY CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF AUTOMATIC TRANSMISSION PARTS, INC.'S ATP LOCK-UP DELAY HARNESS DEVICE.

No claims of any kind, such as "Approved by the Air Resources Board" may be made with respect to the action taken herein in any advertising or other oral or written communication.

Violation of any of the above conditions shall be grounds for revocation of this order. The order may be revoked only after ten day written notice of intention to revoke the order, in which period the holder of the order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the order may not be revoked until a determination after hearing that grounds for revocation exist.

Executed at El Monte, California, this 30th day of July 1996.

R. B. Summerfield
