Sections 39130 and 39184 of the Health and Safety Code provide as follows:

"39130. No person shall install, sell, offer for sale, or advertise, or, except in an application to the board for certification of a device, represent, any device as a motor vehicle pollution control device unless that device has been certified by the board. No person shall sell, offer for sale, advertise, or represent any motor vehicle pollution control device as a certified device which, in fact, is not a certified device. Any violation of this section is a misdemeanor."

"39184. (a) No person shall install, sell, offer for sale, or advertise, or, except in an application to the board for accreditation of a device, represent, any device as a motor vehicle pollution control device for use on any used motor vehicle unless that device has been accredited by the board. No person shall sell, offer for sale, advertise, or represent any motor vehicle pollution control device as an accredited device which, in fact, is not an accredited device. Any violation of this subdivision is a misdemeanor."

Any apparent violation of the conditions of this Executive Order will be submitted to the Attorney General of California for such action as he deems advisable.

This Executive Order rescinds Executive Order D-54 dated April 11, 1975 and D-54-1 dated June 12, 1975.

Executed at Sacramento, California, this 31st day of July, 1975.

Prestolite B.I.D. Retrofit

Dear Mr. Kenny:

We are attaching a revised B.I.D. retrofit listing of customers with the Wells Manufacturing Company corrected to the new sales number. The previous reports given to you for Wells Manufacturing inadvertently showed their IBM number rather than their sales number.

Would you please so notify the proper agencies of this correction.

If you require any additional information, please let us know.

Very truly yours,
