

State of California
AIR RESOURCES BOARD

EXECUTIVE ORDER D-648-22

Relating to Exemptions under
Section 27156 of the Vehicle Code

Rollx Vans
Chevrolet Express/GMC Savanna Series Rollx Conversion

Pursuant to the authority vested in the Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Sections 39515 and 39516 of the Health and Safety Code and Executive Order G-14-012;

IT IS ORDERED AND RESOLVED: That the installation of the Chevrolet Express/GMC Savanna Series Rollx Conversion, manufactured by Rollx Vans of 6591 West Highway 13, Savage, Minnesota 55378, has been found not to reduce the effectiveness of the applicable vehicle pollution control system, and therefore, the Chevrolet Express/GMC Savanna Series Rollx Conversion is exempt from the prohibitions in Section 27156 of the Vehicle Code for installation on the following vehicles:

Assembly Part Number
CHEVY-E2015

Vehicle Application
2006-2015 model year 4.3, 4.8, 5.3, and 6.0 liter gasoline
and 2010-2015 model year 6.6 liter diesel Chevrolet
Express/GMC Savanna Series vans.

This Executive Order is based on previous evaporative emission, refueling emission, and On-Board Diagnostic II System tests conducted by Rollx Vans with the Ford Rollx Conversion on a 2007 model year 5.4 liter Ford E-250.

Exemption of the Chevrolet Express/GMC Savanna Series Rollx Conversion shall not be construed as an exemption to sell, offer for sale, or advertise any component of the assembly as individual devices.

This Executive Order shall not apply to any device advertised, offered for sale, sold with, or installed on a motor vehicle prior to or concurrent with transfer to an ultimate purchaser.

This Executive Order is valid provided that installation instructions for the Chevrolet Express/GMC Savanna Series Rollx Conversion do not recommend tuning the vehicle to specifications different from those of the vehicle manufacturer.

Changes made to the design or operating conditions of the Chevrolet Express/GMC Savanna Series Rollx Conversion, as exempt by the Air Resources Board, which adversely affect the performance of the vehicle's pollution control system shall invalidate this Executive Order.

Marketing of the Chevrolet Express/GMC Savanna Series Rollx Conversion using an identification other than that shown in this Executive Order or for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the Air Resources Board.

In addition to the foregoing, the Air Resources Board reserves the right in the future to review this Executive Order and the exemption provided herein to assure that the exempted add-on or modified part continues to meet the standards and procedures of Title 13, California Code of Regulations, Section 2222 et seq.

This Executive Order does not constitute any opinion as to the effect the use of the Chevrolet Express/GMC Savanna Series Rollx Conversion may have on any warranty either expressed or implied by the vehicle manufacturer.

No claim of any kind, such as "Approved by the Air Resources Board," may be made with respect to the action taken herein in any advertising or other oral or written communication.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF ROLLX VANS' CHEVROLET EXPRESS/GMC SAVANNA SERIES ROLLX CONVERSION.

Violation of any of the above conditions shall be grounds for revocation of this Executive Order. The Executive Order may be revoked only after a ten day written notice of intention to revoke the Executive Order, in which period the holder of the Executive Order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the Executive Order may not be revoked until a determination is made after a hearing that grounds for revocation exist.

Executed at El Monte, California, this 27th day of October 2015.

Annette Hebert, Chief

Emissions Compliance, Automotive Regulations and Science Division
