

***Proposed Amendments
to the Area Designations
for State Standards***

***Board Hearing
November 16-17, 2006***

Designation Process

- **State standards adopted**
- **Areas designated**
- **Proposed 2006 changes:**
 - **Carbon Monoxide**
 - **PM10**
 - **PM2.5**
 - **Ozone**

New Carbon Monoxide Attainment Area

- **Imperial County (Calexico)**
- **Entire State of California is now in attainment or unclassified for CO.**

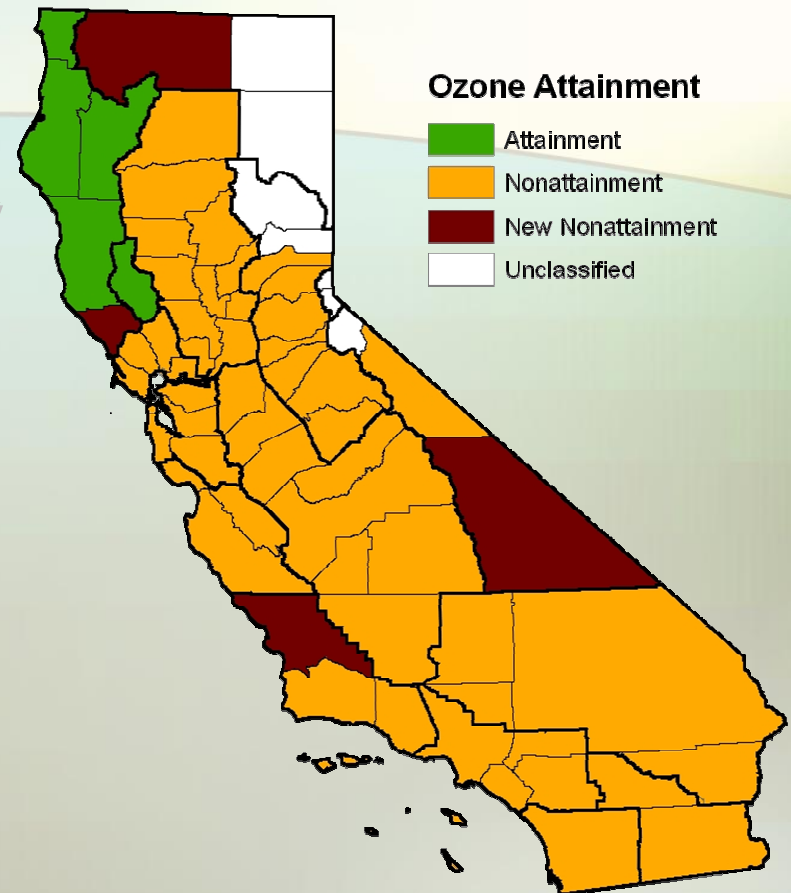

New Particulate Matter Attainment Areas

- **Sonoma County**
 - **PM₁₀**
- **San Luis Obispo County**
 - **PM_{2.5}**

Ozone Designation Changes

- **Four New Nonattainment Areas**

- **Inyo County**
- **San Luis Obispo County**
- **Siskiyou County**
- **Sonoma County**

Other Ozone Designation Changes

- **3 areas change from attainment to unclassified**
 - **Incomplete data**

- **8 areas change from nonattainment-transitional to nonattainment**
 - **Operation of law**

Recommendations

- **Adopt amendments to State area designations**
- **Confirm designations which occur by operation of law**
