

Owning Our Air: The West Oakland Community Action Plan

December 5, 2019

Key Strengths

- Early outreach and engagement
- Partnering Agreement
- Collaborative Process

Recommended Actions to Strengthen Implementation

Staff identified three areas for BAAQMD, CARB, and steering committee to work together on

Reduction
Strategies

Tracking Progress
and Ensuring
Effective
Enforcement

Technical
Enhancements

Lessons learned during the first year will help future communities address implementation during the planning process

Staff's Recommendation

- Approve the West Oakland community emissions reduction program
- Direct BAAQMD to work with the community steering committee and CARB on additional actions to strengthen implementation
- Direct BAAQMD to include updates on identified actions in annual reports
