Air Resources Board
Board Item Summary**

Item # 23-6-3: 2022 Haagen-Smit Clean Air Awards

Staff Recommendation:

This is an informational item only; no Board action is necessary.

Discussion:

Since 2001, the California Air Resources Board (CARB or Board) has annually bestowed the distinguished Haagen-Smit Awards to extraordinary individuals to recognize their exceptional and transformative contributions, widespread impacts, and novel accomplishments related to air quality and climate change. For the year 2022, CARB has selected seven recipients, in the categories of International Leadership, Policy, Science and Technology, Public Health, and Environmental Justice. The awardees will also each be giving a Clean Air Talk following the Board meeting.

Summary and Impacts:

Not applicable.
