

# State of California Air Resources Board

## Board Item Summary

**Item # 24-5-1: 2023 Haagen-Smit Clean Air Awards**

### **Staff Recommendation:**

This is an informational item only; no Board action is necessary.

### **Discussion:**

Since 2001, the California Air Resources Board (CARB or Board) has annually bestowed the distinguished Haagen-Smit Awards to extraordinary individuals to recognize their exceptional and transformative contributions, widespread impacts, and novel accomplishments related to air quality and climate change. For the year 2023, CARB has selected four recipients, in the categories of Environmental Justice, Research, International Education, and Policy. The awardees will also each be giving a Clean Air Talk, beginning at 1:30 pm on October 23rd.

### **Summary and Impacts:**

Not applicable (the award presentation does not affect key policy issues or items of public controversy).
