

# State of California Air Resources Board

## Board Item Summary

### Item # 24-5-2: Public Meeting to Hear an Informational Update on Federal Transportation Funding Programs

#### Staff Recommendation:

This is an informational item only; no Board action is necessary.

#### Discussion:

The California Air Resources Board (CARB) will hear information on Federal Transportation Funding programs that support California's air quality and climate reduction goals. Federal funding resources are critical to helping CARB achieve its ambitious goal of transitioning California to a zero-emission transportation system to protect public health. The presentation will focus on programs funded by the Inflation Reduction Act<sup>1</sup> and the Infrastructure and Investment Jobs Act<sup>2</sup> and will highlight the financial investments of these programs in California.

#### Summary and Impacts:
