November 7, 2024

April 2024 Joint Meeting Recap

- **Sustainable Freight and Community Impacts**

- HCD: Freight Impacts on Fair Housing
- CTC: SB 671 Clean Freight Corridor Efficiency Assessment
- CEC: Zero-Emission Vehicle Infrastructure
- GO-Biz: Zero-Emission Vehicle Market Development

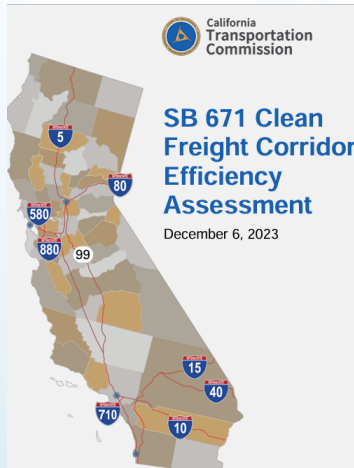

- **Achieving State Goals through Transportation Project Prioritization**

- AMBAG: Regional Perspective
- Caltrans: Caltrans System Investment Strategy (CSIS)

Action Items from April 2024 Joint Meeting

- Provide updates on the work highlighted in the Sustainable Freight and Community Impacts item
- Coordination with Caltrans on CSIS
- Highlight programs that achieve multiple state goals

Regional Early Action Planning Grants of 2021 (REAP 2.0)

State of California
Governor Gavin Newsom

Updates on Other Coordination Efforts

California's Housing Future 2040: The Next Regional Housing Needs Allocation (RHNA)

- HCD published the report in April 2024
- Provides recommendations to the Legislature on changes to the RHNA process necessary to effectively plan for homes that will be needed across the state by 2040
- Includes recommendations on how to further align RHNA with Sustainable Communities Strategies and Regional Transportation Plans

Executive Order N-2-24

1. Lowering Costs and Increasing Options for Infill Housing
2. Providing More Resources, Tools, and Opportunities for Infill Housing and Adaptive Reuse
 - a. Identify strategies to leverage federal funding to promote housing decarbonization and adaptive reuse
3. Aligning Infill Housing Development with State Climate Policies
 - a. Develop a framework for a Statewide Mitigation Bank

Thank you
