EJAC Building Decarbonization Resolution

- **Public Facing Cross Agency Coordination**
- **Identifying funding and resources to help decarbonize California while prioritizing environmental justice communities and the most vulnerable**
- **Appliance Standard Co Design Process**

Resolution Next Steps

- **Request time for BEEP to fully debrief CARB Board Memo and the following:**
 - Clarify questions raised by CARB staff and Board
 - Report back on the listening session and share lessons learned
 - BEEP to come back, share opportunities to have deeper collaboration with CARB staff and Board
 - Lastly, continue BEEP and CARB staff coordination

Thank you
