## Notice of Decision Not To Proceed

### Public Hearing to Consider Proposed Amendments to On-Road Motorcycle Emission Standards and Test Procedures and Adoption of New On-Board Diagnostics and Zero-Emission Motorcycle Requirements

By notice dated November 14, 2023, and published in the December 1, 2023, California Notice Register, Register 2023, No. 48-Z, the California Air Resources Board (CARB or Board) announced it would conduct a public hearing to consider approving for adoption the proposed amendments to the On-Road Motorcycle (ONMC) emission standards and test procedures and adoption of new provisions relating to ONMCs under Division 3, Chapter 1, Article 2 (Approval of Motor Vehicle Pollution Control Devices) under Title 13, California Code of Regulations. By notice dated November 7, 2024, the Board announced the postponement of the public hearing, scheduled for November 7, 2024.

**Please be advised** that the proposed amendments to ONMC emission standards and test procedures and adoption of new provisions relating to ONMCs have been withdrawn. Pursuant to Government Code section 11347, publication of this Notice of Decision Not to Proceed hereby terminates the rulemaking action as originally noticed on December 1, 2023, in the California Regulatory Notice.

CARB may propose a new regulatory action that is similar or identical to the regulatory action that is subject to this notice. If proposed, a subsequent notice will follow in the future with more information, including the date, time, and location of the hearing.
