Final Regulation Order

Amendments to the Large Spark-Ignition (LSI) Engine Fleet Requirements Regulation

[Note: This version of the Proposed Regulation Order complies with Government Code section 11346.2 subdivision (a)(3). The proposed amendments are shown in underline to indicate additions and ~~strike through~~ to indicate deletions from the existing regulatory text. Placeholder text to be updated upon approval of the proposed amendments is shown in angle brackets (such as <insert effective date>). For ease of readability, CARB has also provided a version of the proposed amendments that can toggle between amendments in ~~strikeout~~/underline and a "clean" version with amendments incorporated into the regulatory text, which can be found in Attachment B-2.]
