The California Air Resources Board (CARB) is extending the deadline for public comment to May 4, 2026, for the Notice of Public Availability of Modified Text and Availability of Additional Documents and/or Information (15-day Amendments) to the Proposed Amendments to the Regulation for the California Cap on Greenhouse Gas Emissions and Market-Based Compliance Mechanism (known as the Cap-and-Invest Regulation), in response to a joint request from the Chair of the Senate Environmental Quality Committee and the Chair of the Senate Budget Subcommittee No. 2 on Resources, Environmental Protection and Energy. CARB is also extending the comment period to May 4, 2026, for the Notice of Public Availability of Modified Text for the Proposed Amendments to the Regulation for the Mandatory Reporting of Greenhouse Gas Emissions (MRR), because the MRR and Cap-and-Invest Regulation are closely related.
