The California Health and Safety Code (HSC), Sections 39700 - 39704, established the Air Resources Board's research program. ARB staff will present a written draft report, *Planned Air Pollution Research, Fiscal Year 2012-2013*, at the meeting. The report describes proposed research concepts for funding. After the staff presentation and public testimony, the Board will vote on the draft plan. Those research concepts approved by the Board at this meeting will be developed into full research proposals and brought back to the Board for final consideration and approval.
