The Air Resources Board (ARB or Board) will conduct a public meeting at the time and place noted below to hear a status report on target setting efforts under Senate Bill 375.

DATE: June 24, 2010

TIME: 9:00 a.m.

PLACE: California Environmental Protection Agency
Air Resources Board
Byron Sher Auditorium
1001 I Street
Sacramento, California 95814

This item may be considered at a two-day meeting of the Board, which will commence at 9:00 a.m., June, 24, 2010, and may continue at 8:30 a.m., on June 25, 2010. This item may not be considered until June 25, 2010. Please consult the agenda for the meeting, which will be available at least 10 days before June 24, 2010, to determine the day on which this item will be considered.

In 2008, the Legislature enacted Senate Bill 375 (SB 375; Chapter 728, Statutes of 2008), requires ARB to set regional targets for the purpose of reducing greenhouse gas emissions from passenger vehicles, for 2020 and 2035. If regions develop integrated land use, housing and transportation plans that meet the SB 375 targets, new projects in these regions can be relieved of certain review requirements of the California Environmental Quality Act. The targets will apply to the regions in the State covered by the 18 metropolitan planning organizations (MPO).

Per SB 375, ARB must propose draft targets by June 30, 2010, and adopt final targets by September 30, 2010. ARB staff will present a status update on target setting efforts at the meeting. Staff will also present draft targets at the meeting, and release a written report following this meeting. Board action on the targets will not occur until September. The staff presentation will include comments by a panel of MPO directors.

Interested members of the public may present comments orally or in writing at the meeting and may be submitted by postal mail or by electronic submittal before the meeting. To be considered by the Board, written comments submissions not physically submitted at the meeting must be received **no later than 12:00 noon, June 23, 2010**, and addressed to the following:

Postal mail: Clerk of the Board, Air Resources Board
1001 I Street, Sacramento, California 95814

Electronic submittal: <http://www.arb.ca.gov/lispub/comm/bclist.php>

Please note that under the California Public Records Act (Government Code section 6250 et seq.), your written and oral comments, attachments, and associated contact information (e.g., your address, phone, email, etc.) become part of the public record and can be released to the public upon request. Additionally, this information may become available via Google, Yahoo, and any other search engines.

The Board requests, but does not require 20 copies of any written submission. Also, ARB requests that written and e-mail statements be filed at least 10 days prior to the meeting so that ARB staff and Board members have time to fully consider each comment.
