## AB 32 Administrative Fee Regulation Workshop Draft Regulatory Language

The Air Resources Board (ARB) invites you to participate in a public workshop to discuss the draft AB 32 Administrative Fee Regulation language.

Health and Safety Code Section 38597 (AB 32, Nunez, Chapter 488, Statutes of 2006), added by the Global Warming Solutions Act of 2006, authorizes ARB to adopt by regulation a schedule of fees to be paid by sources of greenhouse gas emissions (GHG) to support the administrative costs of implementing AB 32. ARB is in the process of developing a rulemaking for this fee, with the intent of bringing a proposed regulation to the Board for consideration in May 2009.

This workshop is intended to provide an opportunity for stakeholders' input on the draft regulatory language. The workshop will contain time for questions and detailed discussion after staff presentation.
