# Meeting Goals

- Launch the California Dairy and Livestock Greenhouse Gas Reduction Working Group
- Work toward common understanding regarding the most challenging and important issues regarding GHG reduction in Dairy and Livestock sectors
- Seek initial agreement and feedback on the mission and focus of the three subgroups

# Working Group Structure

- Working Group = Oversight + Technical Subgroups
- Three Technical Subgroups
  - #1: Fostering markets for non-digester projects
  - #2: Fostering markets for digester projects
  - #3: Research needs , including enteric fermentation
- Subgroup deliverables presented to WG at various points
- Progress reports at second 2017 WG meeting (late 2017)
- Draft deliverables by first 2018 WG meeting (mid 2018)
- Final deliverables by second 2018 WG meeting (late 2018, or later if appropriate)
