Community Meeting

West Oakland Community Health Risk Assessment For Diesel PM

**Wednesday, March 19, 2008
6:30 p.m. – 8:30 p.m.**

**West Oakland Senior Center
1724 Adeline Street
Oakland, CA**

The California Air Resources Board, in cooperation with the Bay Area Air Quality Management District, the Maritime Port of Oakland, and Union Pacific Railroad will discuss the Preliminary Summary of Results from the:

Diesel Particulate Matter Exposure Assessment Study for the West Oakland Community

The risk assessment provides estimates of potential health impacts for the West Oakland community due to diesel PM emissions from ships, trucks, trains, and other sources.

The meeting will provide an opportunity for the public to learn about the study, ask questions, and provide input.

Key Topics

- What the preliminary results showed
- How the results may be used
- Next steps
