Conditional Verification Letter 10-661-726

Label for the Cleaire Phoenix System

Notes:

- Month and year of manufacture are not included. This information is readily obtained from Cleaire by reference to the serial number. **To distinguish from the original version of the Phoenix system, the system corresponding to conditional verification letters 09-661-361, 10-661-541, and 10-661-726 will begin with serial number 087201.**
- The labels that are attached to the Phoenix and engine are identical. The figures below illustrate typical installations: one on the electronic controller's wiring harness, the other on an engine stud (for illustrative purposes only: please disregard the information shown on the labels in the figures).
