HUSS FS-MK Label for Re-designated Systems

The diagram shows a rectangular label with a black border. On the left side, there is a green square logo with the word "HUSS" in white. To the right of the logo, the text "Diesel Particulate Filter" and "www.hussgroup.com" is displayed. Below this, there are three rows of information, each with a label on the left and a box containing the value: "CARB" with "CA/HUS/2006/PM3+/NOO/ON/DPF01", "TYPE" with "MK 200 REDEG", and "No." with "MK0001R". To the right of the "No." box is the word "YEAR" followed by another box containing "July 2010". At the bottom of the label, the address "Huss, inc. 77524 El Duna Court Suite H" and phone number "Palm desert, CA 92211 Phone: 1-888-360-4877" are listed. Dimension lines indicate the label is 3.5 inches wide and 1.87 inches high.

CARB	CA/HUS/2006/PM3+/NOO/ON/DPF01		
TYPE	MK 200 REDEG		
No.	MK0001R	YEAR	July 2010

Huss, inc. 77524 El Duna Court Suite H  
Palm desert, CA 92211 Phone: 1-888-360-4877

**Notes:**

- This label (example) is only for complete filter systems that have been reviewed and approved by HUSS for re-designation (removal from one engine and installation onto another engine).
- The label is metal and must be affixed to both the engine and the filter.
- The label on the engine and the filter are identical.
- CARB = Diesel Emission Control Strategy family name.
- TYPE = HUSS model number.
- No. = Filter serial number. A re-designated system keeps the original serial number with the addition of an "R" at the end.
- YEAR = Month and year of manufacture (unchanged from original label).

HUSS FS-MK Replacement Label

The diagram shows a rectangular replacement label with a black border. On the left side, there is a green square logo with the word "HUSS" in white. To the right of the logo, the text "Diesel Particulate Filter" and "www.hussgroup.com" is displayed. Below this, there are three rows of information, each with a label on the left and a corresponding text box on the right: "CARB" with "CA/HUS/2006/PM3+/NOO/ON/DPF01", "TYPE" with "MK 200 REPL", and "No." with "MK0001". To the right of the "No." text box is the label "YEAR" followed by a text box containing "July 2010". At the bottom of the label, the address "Huss, inc. 77524 El Duna Court Suite H" and phone number "Palm desert, CA 92211 Phone: 1-888-360-4877" are listed. Dimension lines indicate the label is 3.5 inches wide and 1.87 inches high.

	Diesel Particulate Filter		
	www.hussgroup.com		
CARB	CA/HUS/2006/PM3+/NOO/ON/DPF01		
TYPE	MK 200 REPL		
No.	MK0001	YEAR	July 2010
Huss, inc. 77524 El Duna Court Suite H Palm desert, CA 92211 Phone: 1-888-360-4877			

**Notes:**

- This label (example) is only to be used as a replacement for a label that is lost, missing or illegible. The serial number and date of manufacture are the same as on the original label.
- The label is metal and must be affixed to both the engine and the filter.
- The label on the engine and the filter are identical.
- CARB = Diesel Emission Control Strategy family name.
- TYPE = HUSS model number.
- No. = Filter serial number.
- YEAR = Month and year of manufacture.
