

ATTACHMENT 3
Executive Order DE-08-008-01
Labels for the Johnson Matthey CRT[®] DPF

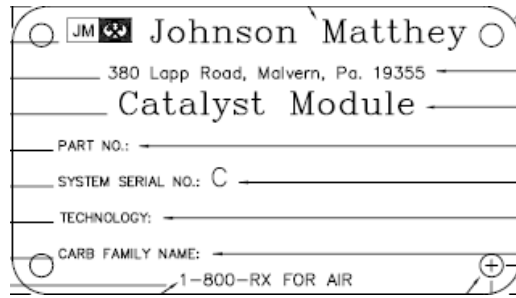

A rectangular label form with rounded corners. At the top left is the Johnson Matthey logo (JM with a crossed-hammers symbol) and the text "Johnson Matthey". Below this is "Filter Module". Two vertical arrows labeled "FLOW" point upwards on either side of the form. The form contains three horizontal lines for "PART No.", "SERIAL No." (with a small 'C' in a circle to the right), and "CARB FAMILY NAME:". At the bottom left is a small circle, and at the bottom right is a circle with a plus sign. The text "1-800-RX FOR AIR" is at the bottom center.

Filter Tag

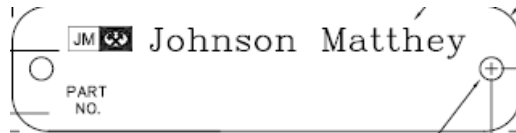

A rectangular label form with rounded corners. At the top left is the Johnson Matthey logo and the text "Johnson Matthey". Below this is "380 Lapp Road, Malvern, Pa. 19355". The main title is "CRT[®] Particulate Filter". Below the title are three horizontal lines for "MODEL No.", "SYSTEM SERIAL No." (with a small 'C' in a circle to the right), and "CA/JMI/2007/PM3+ /NO0/ON/DPF01". At the bottom left is a small circle, and at the bottom right is a circle with a plus sign. The text "1-800-RX FOR AIR" is at the bottom center.

Engine Tag

A rectangular label form with rounded corners. At the top left is the Johnson Matthey logo and the text "Johnson Matthey". Below this is "380 Lapp Road, Malvern, Pa. 19355". The main title is "Catalyst Module". Below the title are three horizontal lines for "PART NO.", "SYSTEM SERIAL NO." (with a small 'C' in a circle to the right), and "TECHNOLOGY:". Below these is a line for "CARB FAMILY NAME:". At the bottom left is a small circle, and at the bottom right is a circle with a plus sign. The text "1-800-RX FOR AIR" is at the bottom center.

Catalyst Tag

A rectangular label form with rounded corners. At the top left is the Johnson Matthey logo and the text "Johnson Matthey". Below this is a line for "PART NO.". At the bottom left is a small circle, and at the bottom right is a circle with a plus sign.

Inlet/Outlet Head Tag
