Label for the Cleaire LongMile™ System

Notes:

- Month and year of manufacture are not included. This information is readily obtained from Cleaire by reference to the serial number.
- The labels that are attached to the LongMile and engine are identical. The figures below illustrate typical installations: one on the electronic controller’s wiring harness, the other on an engine stud.

Note: For illustrative purposes only. Please disregard the content on the labels shown in the photographs.
Additional System Labels

The following sample label is permanently attached to the diesel oxidation catalyst:
