ATTACHMENT 3
Executive Order DE-11-005

Labels for the ECS Purifilter Plus M System

Product Label
(stainless steel)

![Product Label Image]

Notes:
• Product SCPXXM; XX = Purifilter Plus Model / Filter Size; M denotes Purifilter M
• Part Number*. If sold as a complete system, the Part Number begins with an
  A19C prefix. If sold as a spare centerbody, it would have a C19C prefix in the
  part number. XXXX = numerical values 0 through 9.
• Serial Number Prefix “T” on all A19C system or C19C spare filters will denote
  ARB warranted product if returned under warranty claim to ECS.
• Serial Number Prefix will also denote which Verification Order was applicable to
  product
• Serial Number also links to Date of Mfr in ECS internal records
• ADB 9 represents filter lot code
Notes:

- Serial Number and Date of Mfr will be under adhesive window allowing installer to transfer information from product label. Instructions will be provided in product manual.
Replacement Product Label
(stainless steel)

Notes:

• Product SCPXXM; XX = Purifilter Plus Model / Filter Size; M denotes Purifilter M formulation.
• Part Number*: If sold as a complete system, the Part Number begins with an A19C pre-fix. If sold as a spare centerbody, it would have a C19C prefix in the part number. XXXX = numeral values 0 through 9.
• Serial Number Prefix “T” on all A19U system or C19U spare filters will denote ARB warranted product if returned under warranty claim to ECS.
• NOTE: WR1 represents a filter replaced under warranty (appears only if applicable).
• Serial Number Prefix will also denote which Verification Order was applicable to product.
• Serial Number also links to Date of Mfr in ECS internal records.
• ADB 9 represents filter lot code.
Replacement Engine Label
(foil/plastic composite)

Notes:

• Serial Number and Date of Mfr will be under adhesive window allowing installer to transfer information from product label. Instructions will be provided in product manual.
• * REPLACEMENT / RE-DESIGNATION appears at bottom of label if applicable.
