

State of California  
AIR RESOURCES BOARD  
Executive Order DG-017  
Distributed Generation Certification of  
Energent Corporation  
MicroSteam Power System Gas Turbine

WHEREAS, the Air Resources Board (ARB) was given the authority under California Health and Safety Code section 41514.9 to establish a statewide Distributed Generation (DG) Certification Program to certify electrical generation technologies that are exempt from the permit requirements of air pollution control or air quality management districts;

WHEREAS, this DG Certification does not constitute an air pollution permit or eliminate the responsibility of the end user to comply with all federal, state, and local laws, rules and regulations;

WHEREAS, on July 2, 2007, Energent Corporation applied for a voluntary DG Certification of its 275 kW MicroSteam Power System gas turbine and whose application was deemed complete on July 2, 2007;

WHEREAS, the Energent Corporation MicroSteam Power System gas (steam or compressed gas) turbine is a zero-emission technology;

NOW THEREFORE, IT IS HEREBY ORDERED, that a DG Certification, Executive Order DG-017 is granted.

This DG Certification:

- 1) is subject to all conditions and requirements of the ARB's DG Certification Program, article 3, title 17, CCR, including the provisions relating to inspection, denial, suspension, and revocation;
- 2) shall be void if any manufacturer modification results in the device no longer being a zero-emission technology; and,
- 3) shall expire on July 13, 2011.

Executed at Sacramento, California, this 13<sup>th</sup> day of July 2007.
