

## SETTLEMENT AGREEMENT AND RELEASE

This SETTLEMENT AGREEMENT AND RELEASE (hereinafter "Agreement") is entered into between the STATE OF CALIFORNIA AIR RESOURCES BOARD (hereinafter "ARB") 1001 I Street, Sacramento, California 95814, and GORDITOS TRANSPORTATION INC. (hereinafter "GORDITOS"), 8802 Avenida De La Fuente, San Diego, California 92154.

### I. RECITALS

- (1) California Health and Safety Code section 44011.6 (HSC § 44011.6) established the Heavy-Duty Vehicle Inspection Program (HDVIP). It authorizes ARB to inspect on-road heavy-duty vehicles for excessive smoke emissions and engine tampering and to issue citations accordingly. The program also requires the vehicle owner to repair its engines that exceed the prescribed ARB smoke opacity standards, perform a post-repair opacity test, and submit proof of repairs and any assessed penalties under the regulations of the HDVIP, chapter 3.5, California Code of Regulations, title 13, sections 2180-2188 (13 CCR §§ 2180-2188).
- (2) HSC § 43701 provides that ARB shall adopt regulations that require owners or operators of heavy-duty diesel motor vehicles to perform regular inspections of their vehicles for excessive smoke emissions.
- (3) 13 CCR § 2190 *et seq.* were adopted under the authority of HSC § 43701 and, with limited exceptions, which are not applicable here, apply to all heavy-duty diesel powered vehicles with gross vehicle weight ratings greater than 6,000 pounds that operate on the streets or highways within the State of California.
- (4) 13 CCR § 2190 *et seq.* authorize the Periodic Smoke Inspection Program (PSIP) which requires the owners and operators of California based vehicle fleets of two or more heavy-duty diesel motor vehicles with gross vehicle weight ratings greater than 6,000 pounds that operate on the streets or highways within the State of California to conduct annual smoke opacity inspections of their vehicles equipped with engines that are four years old or older.
- (5) 13 CCR § 2192(a) requires inter alia that the owner of the vehicle "[t]est the vehicle for excessive smoke emissions periodically according to the inspection intervals specified in section 2193(a), (b), and (c)", "[m]easure the smoke emissions for each test...", "[r]ecord the smoke test opacity levels and other required test information as specified in section 2194..." and "[k]eep the records specified in section 2194 for two years after the date of inspection."
- (6) HSC § 43016 states, "Any person who violates any provision of this part, or any order, rule, or regulation of the state board adopted pursuant to this part, and for which there is not provided in this part any other specific civil penalty or fine, shall

SETTLEMENT AGREEMENT AND RELEASE  
ARB and GORDITOS  
Page 2 of 12

be subject to a civil penalty of not to exceed five hundred dollars (\$500.00) per vehicle.”

- (7) ARB considers testing, measuring, recording, and recordkeeping to be critical components in reducing excessive smoke emissions from these heavy-duty vehicles.
- (8) ARB contends GORDITOS failed to test, measure, record, and maintain records of smoke emissions from its fleet of heavy-duty diesel vehicles for years 2014 and 2015 in violation of 13 CCR § 2190 *et seq.*
- (9) 13 CCR § 2183(c) states that “No 1974 or newer diesel powered heavy-duty commercial vehicle shall operate in California without evidence that, at the time of manufacture, the installed engine met emission standards at least as stringent as applicable federal emission standards for the model year of the engine”. ARB shall base its determination on whether an engine meets the above requirements by inspecting the Emission Control Label (ECL) affixed to the vehicle’s engine.
- (10) ARB has documented that GORDITOS failed to provide evidence that one of their vehicles have an ECL attached to the engine of a heavy-duty diesel vehicle in its fleet in violation of HSC § 44011.6, and 13 CCR § 2183, *et seq.* Civil penalties for violation of the regulation covering ECLs have been set per 13 CCR § 2185(a)(2)(B) at \$300 per vehicle per violation.
- (11) HSC §§ 39650-39675 mandate the reduction of the emissions of substances that have been determined to be toxic air contaminants. In 1998, following an exhaustive 10-year scientific assessment process, ARB identified particulate matter (PM) from diesel-fueled engines as a toxic air contaminant. Transport Refrigeration Units (TRU) are powered by diesel fueled engines that emit toxic PM. TRUs are regulated under the Airborne Toxic Control Measure for In-Use Diesel-Fueled Transport Refrigeration Units and TRU Generator Sets, and Facilities Where TRUs Operate (TRU ATCM) as codified in 13 CCR § 2477.1 through 2477.21.
- (12) 13 CCR § 2477.5(e)(1)(A) states: that on or before January 31, 2009 (delayed until July 31, 2009), owner/operators of all California-based TRUs and TRU gen sets subject to this regulation shall apply for an ARB Identification Number (IDN) for all California-based TRUs or TRU gen sets operated by the operator by submitting an application to ARB.
- (13) 13 CCR § 2477.5(e)(1)(A)(3) requires the applicant to indicate who is filling out the application, either: a.) The owner, or b.) A third party entering the application information under a third party agreement between the owner and a consultant.

SETTLEMENT AGREEMENT AND RELEASE  
ARB and GORDITOS  
Page 3 of 12

- (14) The ARB Enforcement Division has documented that GORDITOS failed to indicate the third party consultant that filled out the application when applying for ARB IDNs for its California-based TRUs.
- (15) 13 CCR § 2477.5(a) provides that no owner/operator shall operate a TRU or TRU generator (gen) set in California unless it meets in-use performance standards established in § 2477.5.
- (16) ARB Enforcement Division has documented that GORDITOS failed to bring a TRU it operates in California into compliance with the in-use performance standards before the deadlines set forth in the regulation
- (17) Failure to bring the TRU fleet in compliance with applicable in-use performance standards and provide accurate information when applying for ARB IDNs is a violation of state law resulting in penalties. HSC § 39674 authorizes civil penalties of up to ten thousand dollars (\$10,000) for each day that the violation occurs.
- (18) In-use on-road diesel vehicles are powered by diesel fueled engines that emit toxic PM. On-road vehicles are controlled under 13 CCR § 2025.
- (19) 13 CCR § 2025(e)(1)(B) states: "Starting January 1, 2012, for all vehicles with Gross Vehicle Weight Rating (GVWR) greater than 26,000 lbs, excluding school buses, fleets must meet the requirements of section 2025(g) or fleets that report may instead comply with the phase-in option of section 2025(i)." 13 CCR § 2025(e)(1)(C) states: "Fleets with one to three vehicles with a GVWR greater than 14,000 lbs may utilize the small fleet compliance option of section 2025(h) for vehicles with a GVWR greater than 26,000 lbs."
- (20) GORDITOS must meet the requirements of the Engine Model Year Compliance Schedule provided for in 13 CCR § 2025(g).
- (21) 13 CCR § 2025(g) requires that owners of diesel vehicles with a GVWR greater than 26,000 lbs. (heavier vehicles) meet PM Best Available Control Technology (BACT) requirements for all 1996 through 1999 engine model years by January 1, 2012, and all 2005 through 2006 engine model years by January 1, 2014.
- (22) ARB has documented that GORDITOS failed to meet PM BACT requirements for all 1996 through 1999 engine model years by January 1, 2012 and all 2005 through 2006 engine model years by January 1, 2014.
- (23) Failure to comply with the requirements of 13 CCR § 2025 is a violation of state law resulting in penalties. HSC §§ 39674(a) and (b) authorize civil penalties for the violation of the programs for the regulation of toxic air contaminants not to

exceed one thousand dollars (\$1,000) or ten thousand dollars (\$10,000), respectively, for each day in which the violation occurs.

- (24) In order to resolve these alleged violations, GORDITOS has taken, or agreed to take, the actions enumerated below under "RELEASE". Further, ARB accepts this Agreement in termination and settlement of this matter.
- (25) In consideration of the foregoing, and of the promises and facts set forth herein, the parties desire to settle and resolve all claims, disputes, and obligations relating to the above-listed violations, and voluntarily agree to resolve this matter by means of this Agreement. Specifically, ARB and GORDITOS agree as follows:

**II. TERMS AND RELEASE**

In consideration of ARB not filing a legal action against GORDITOS for the alleged violations referred to above, and GORDITOS's payment of the penalties set forth in Section 1 below, ARB and GORDITOS agree as follows:

- (1) Upon execution of this Agreement, GORDITOS shall pay a civil penalty of \$15,300.00 Payment shall be made in 12 payments as described below, beginning on **June 15, 2016**.

| <b>Payment Due Date:</b> | <b>In the Amount of and Payable to:</b> |  |
|--------------------------|---|--|
| June 15, 2016            | <b>\$1,275.00</b>                       | <b>the Peralta Colleges Foundation</b> |
| July 15, 2016            | <b>\$1,275.00</b>                       | <b>the Peralta Colleges Foundation</b> |
| August 15, 2016          | <b>\$1,275.00</b>                       | <b>the Peralta Colleges Foundation</b> |
| September 15, 2016       | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| October 14, 2016         | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| November 15, 2016        | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| December 15, 2016        | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| January 17, 2016         | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| February 15, 2017        | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| March 15, 2017           | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| April 14, 2017           | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |
| May 15, 2017             | <b>\$1,275.00</b>                       | <b>the Air Pollution Control Fund</b>  |

**Please send the signed Settlement Agreement and any future mailings or documents required per the terms of this Settlement Agreement to:**

**Mr. Eric Bissinger  
Air Pollution Specialist  
California Air Resources Board  
Enforcement Division  
P.O. Box 2815  
Sacramento, California 95812**

**Please submit each payment by the applicable payment due date along with the corresponding Settlement Agreement Payment Transmittal Form (Attachment A) to:**

**California Air Resources Board  
Accounting Office  
P.O. Box 1436  
Sacramento, California 95812-1436**

- (2) Effect of Untimely Payment. If any payment is more than 15 days late, the entire remaining balance becomes immediately due and payable. In addition, if the Attorney General files a civil action to enforce this settlement agreement, GORDITOS shall pay all costs of investigating and prosecuting the action, including expert fees, reasonable attorney's fees, and costs.
- (3) It is agreed that if GORDITOS, including its subsidiary or parent company, at any time becomes insolvent, or makes an assignment for the benefit of creditors or similar action adversely involving GORDITOS, its subsidiary, or parent company, or a proceeding or petition under any bankruptcy, reorganization, arrangement of debt, insolvency, readjustment of debt, or receivership law or statute is filed by or against GORDITOS, its subsidiary, or parent company, or a trustee in bankruptcy, custodian, receiver or agent is appointed or authorized to take charge of any of GORDITOS's, its subsidiary, or parent company's properties, or if any deposit account or other property of GORDITOS, its subsidiary, or parent company be attempted to be obtained or held by writ of execution, garnishment, attachment, condemnation, levy, forfeiture or other legal process, or GORDITOS, its subsidiary, or parent company takes any action to authorize any of the foregoing, the entire remaining balance becomes immediately due and payable without notice or demand.
- (4) It is further agreed that the penalties described in *Terms and Release*, paragraph 1 are punitive in nature, rather than compensatory. Furthermore, the penalty is intended to deter and punish GORDITOS for violations of state environmental statutes, and these penalties are payable to and for the benefit of ARB, a

governmental unit. Therefore, it is agreed that these penalties imposed on GORDITOS by ARB arising from the facts described in recital paragraphs (1) through (23) are non-dischargeable under 11 United States Code § 523 (a)(7), which provides an exception from discharge for any debt to the extent such debt is for a fine, penalty or forfeiture payable to and for benefit of governmental unit, and is not compensation for actual pecuniary loss, other than certain types of tax penalties.

- (5) GORDITOS shall not violate HSC §§ 43701 *et seq.*, 44011.6 *et seq.*, and 13 CCR §§ 2180 *et seq.*, 2190 *et seq.*, and 2485 *et seq.*
- (6) GORDITOS shall comply with one or both of the following options to attend the California Council on Diesel Education and Technology (CCDET I) class, (SAE J1667 Snap Acceleration Smoke Test Procedure for Heavy-Duty Diesel Powered Vehicles) as described on the ARB webpage at <http://www.arb.ca.gov/enf/hdvip/ccdet/ccdet.htm>. This class is conducted by various California Community Colleges and instructs attendees on compliance with the PSIP, the ECL regulation and the HDVIP.
  - (a) GORDITOS shall have the fleet maintenance manager (or equivalent) and all staff performing opacity tests for compliance with PSIP and the HDVIP attend the CCDET I class. Proof of CCDET I completion shall be provided to ARB within six months of the date of this Agreement and be maintained in each applicable employee's file for the term of his or her employment.
  - (b) If GORDITOS uses a contractor to perform the annual smoke opacity testing required under the PSIP, in addition to having the fleet maintenance manager (or equivalent) attend the CCDET I course, GORDITOS shall obtain proof that the contractor's staff conducting the smoke opacity tests completed the CCDET I course within the past four years. This proof of CCDET I completion shall be provided to ARB with PSIP records as required by this Agreement and be maintained with the annual PSIP records.
- (7) GORDITOS shall comply with one or both of the following options to attend the CCDET II class (Diesel Exhaust After Treatment and Maintenance), described on the ARB's webpage <http://www.arb.ca.gov/enf/hdvip/ccdet/ccdet.htm>. This class is conducted by various California Community Colleges and instructs attendees on California's emission regulations and the proper care and maintenance of diesel exhaust after-treatment systems (DEATS).
  - (a) GORDITOS shall have the fleet maintenance manager (or equivalent) and all staff responsible for maintenance of DEATS attend the CCDET II class. Proof of CCDET II completion shall be provided to ARB within six months of the date of this Agreement and also be maintained in each applicable employee's file for the term of his or her employment.

- (b) In case GORDITOS uses a contractor for the maintenance of DEATS, in addition to having the fleet maintenance manager (or equivalent) attend the CCDET II course, GORDITOS shall obtain proof that the contractor's staff maintaining the DEATS device(s) completed the CCDET II course within the last four years. This proof of the CCDET II completion shall be provided by GORDITOS to ARB within six months of the date of this settlement and be maintained with the DEATS installation and maintenance records.
- (c) In case GORDITOS is unable to find a CCDET II certified contractor within a radius of 25 miles from its yard for the maintenance of DEATS, in addition to having the fleet maintenance manager (or equivalent) attend the CCDET II course, GORDITOS shall contract only with the authorized verified diesel emission control strategy installer(s) or original equipment manufacturer distributor(s) for the maintenance of DEATS. The proof of the CCDET II completion for the fleet maintenance manager (or equivalent) shall be provided by GORDITOS to ARB within six months of the date of this settlement and be maintained with the DEATS installation and maintenance records.
- (8) GORDITOS shall submit copies of all PSIP compliance records for the years 2016 and 2017 to ARB by January 31 of the following year. **Copies shall be addressed to the attention of Mr. Eric Bissinger at the California Air Resources Board, Enforcement Division, P.O. Box 2815, Sacramento, California 95812.** ARB reserves the right to visit any GORDITOS fleet location at any time to conduct compliance audits for the HDVIP and PSIP, or any other applicable ARB program.
- (9) GORDITOS shall complete Low NOx Software Upgrades (reflash) on all applicable heavy-duty diesel engines operating in California and report to ARB within 45 days of this agreement.
- (10) GORDITOS shall remain in compliance with the ECL regulation as codified in 13 CCR § 2183.
- (11) GORDITOS shall instruct all employees who operate diesel-fueled vehicles to comply with the idling regulations set forth in 13 CCR § 2485, within 45 days of this Agreement.
- (12) GORDITOS shall submit proof of compliance with the Truck and Bus regulation (as codified in 13 CCR § 2025), by January 1, 2017, to **Mr. Eric Bissinger, Air Pollution Specialist, California Air Resources Board, Enforcement Division, P.O. Box 2815, Sacramento, California 95812.**
- (13) GORDITOS shall not violate TRU ATCM as codified in 13 CCR § 2477.

- (14) GORDITOS shall submit a Third Party Agreement Confirmation Form for Contractors/Consultants (SSD/EAB Form #31) as required by 13 CCR § 2477.5(e)(1)(A)(3)(b) within 45 days of execution of this Agreement to **Mr. Eric Bissinger, Air Pollution Specialist, ARB Enforcement Division, P.O. Box 2815, Sacramento, CA 95812**
- (15) This Agreement shall apply to and be binding upon GORDITOS, and its officers, directors, receivers, trustees, employees, successors and assignees, subsidiary and parent corporations and upon ARB and any successor agency that may have responsibility for and jurisdiction over the subject matter of this Agreement.
- (16) This Agreement constitutes the entire agreement and understanding between ARB and GORDITOS concerning the subject matter hereof, and supersedes and replaces all prior negotiations and agreements between ARB and GORDITOS concerning the subject matter hereof.
- (17) No agreement to modify, amend, extend, supersede, terminate, or discharge this Agreement, or any portion thereof, is valid or enforceable unless it is in writing and signed by all parties to this Agreement.
- (18) Severability. Each provision of this Agreement is severable, and in the event that any provision of this Agreement is held to be invalid or unenforceable, the remainder of this Agreement remains in full force and effect.
- (19) This Agreement shall be interpreted and enforced in accordance with the laws of the State of California, without regard to California's choice-of-law rules.
- (20) This Agreement is deemed to have been drafted equally by the Parties; it will not be interpreted for or against either party on the ground that said party drafted it.
- (21) Senate Bill 1402 (Dutton, Chapter 413, statutes of 2010) requires ARB to provide information on the basis for the penalties it seeks (HSC § 39619.7). This information, which is provided throughout this settlement agreement, is summarized here:

**The manner in which the penalty amount was determined, including a per unit or per vehicle penalty.**

Penalties must be set at levels sufficient to discourage violations. The penalties in this matter were determined in consideration of all relevant circumstances, including the eight factors specified in HSC §§ 42403 and 43024.

#### PSIP Violations

The per vehicle penalty for the PSIP violations involved in this case is a maximum of \$500.00 per vehicle per violation per year. The penalty obtained for the PSIP violations involved in this case is \$2,750.00 for 11 violations involving 6 vehicles, or \$250.00 per vehicle per violation.

The penalty was discounted based on the fact that this was a first time violation and the violator made diligent efforts to comply and to cooperate with the investigation.

#### ECL Violation

The per vehicle penalty for the labeling violations involved in this case is a maximum of \$300.00 per vehicle per violation. The penalty obtained for the ECL violation involved in this case is from a citation for one GORDITOS vehicle (license plate 9E64840). Citation #ECL060315003JW was issued to GORDITOS on June 03, 2015. The penalty for the ECL violation involved in this case is \$300.00 for one vehicle, or \$300.00 per vehicle.

#### TRU Violations

The per unit penalty for the TRU violations involved in this case is a maximum of \$1,000 per unit per day for strict liability violations or \$10,000 per vehicle per day for negligent or intentional violations pursuant to HSC § 39674. The penalty obtained for GORDITOS failing to indicate the third-party consultant is \$250.00 or \$250.00 for each violation. The amount associated with this penalty incorporates a TRU citation received on June 3, 2015 (citation number TRU060315004JW).

The penalty was discounted based on the fact that this was a first time violation and the violator made diligent efforts to comply and to cooperate with the investigation.

#### Truck and Bus Violations

The per unit penalty for the Truck and Bus violations involved in this case is a maximum of \$1,000 per vehicle per day for strict liability violations or \$10,000 per vehicle per day for negligent or intentional violations.

The penalty obtained for the Truck and Bus violations involved in this case for failure to meet the requirements of the Engine Model Year Compliance Schedule for heavier vehicles is \$12,000.00 or \$250.00 per month of violation:

- \$6,000.00 for 1 vehicle with a 1999 model year engine (24 months in violation); and
- \$6,000.00 for 1 vehicle with a 2005 model year engine (24 months in violation). The amount associated with this penalty incorporates three Truck and Bus citations received (citation number STB060315002JW, STB032014001SHP and STB061214002RB).

The penalty was discounted based on the fact that this was a first time violation and the violator made diligent efforts to comply and to cooperate with the investigation.

**The provision of law the penalty is being assessed under and why that provision is most appropriate for that violation.**

#### PSIP Violations

The penalty provision being applied to the PSIP violations is HSC § 43016 because GORDITOS failed to test, measure, record, and maintain records of smoke emissions from its fleet of heavy-duty diesel vehicles for the years 2014 and 2015 in violation of the PSIP regulation in 13 CCR § 2190 *et seq.*, for six vehicles. Since the PSIP regulation was adopted pursuant to authority granted in Part 5 of Division 26 of the HSC and since there is no specific penalty or fine provided for PSIP violations in Part 5, HSC § 43016 is the applicable penalty provision.

#### ECL Violation

The penalty provision being applied to the ECL requirements is 13 CCR § 2185(a)(2) because GORDITOS received a citation on June 03, 2015 for one vehicle that did not have an ECL attached as required.

#### TRU Violations

The penalty provision being applied for the TRU ATCM (13 CCR § 2477) violations (including registration and labeling) is HSC § 39674 because the TRU rule is an Air Toxic Control Measure adopted pursuant to authority contained in HSC §§ 39002 *et seq.*, 39650-39675 and GORDITOS, as an owner of TRUs, failed to bring all TRUs in its fleet into compliance by the deadlines set forth in the TRU ATCM and failed to indicate the third party consultant when applying for ARB IDN for its California-based TRU.

#### Truck and Bus Violations

The penalty provision being applied for the Truck and Bus regulation (13 CCR § 2025) violations in this case is HSC § 39674 because the Truck and Bus regulation is an Airborne Toxic Control Measure adopted pursuant to authority contained in HSC §§ 39002 et seq., 39650-39675, and because GORDITOS failed to bring their diesel fleet into compliance by the deadlines set forth in 13 CCR § 2025(g).

**Is the penalty being assessed under a provision of law that prohibits the emission of pollution at a specified level, and, if so a quantification of excess emissions, if it is practicable to do so.**

#### PSIP Violations

The PSIP provisions cited above do prohibit emissions above a specified opacity or level of g/hp-hr. However, since the hours of operation of the noncompliant units involved and their individual emission rates are not known, it is not practicable to quantify the excess emissions.

#### ECL Violation

The penalty is not being assessed under a provision of law that prohibits the emission of pollution at a specified level.

#### TRU Violations

The provisions cited above do prohibit emissions above a specified level of g/hp-hr for non-compliant TRU. However, since the hours of operation of the noncompliant TRU involved and its individual emission rate is not known, it is not practicable to quantify the excess emissions.

The provisions cited above do not prohibit emissions above a specified level of g/hp-hr for failing to indicate the third party consultant when applying for ARB IDN for its California-based TRU.

#### Truck and Bus Violations

The provisions cited above do prohibit emissions above a specified level of g/hp-hr. However, since the hours of operation of the non-compliant trucks involved and their individual emission rates are not known, it is not practicable to quantify the excess emissions.

SETTLEMENT AGREEMENT AND RELEASE  
ARB and GORDITOS  
Page 12 of 12

- (22) GORDITOS acknowledges that ARB has complied with Senate Bill 1402 in prosecuting or settling this case. Specifically, ARB has considered all relevant facts, including those listed at HSC § 43024, has explained the manner in which the penalty amount was calculated, has identified the provision of law under which the penalty is being assessed and has considered and determined that this penalty is being assessed under a provision of law that prohibits the emission of pollutants at a specified level.
- (23) Penalties were determined based on the unique circumstances of this matter, considered together with the need to remove any economic benefit from noncompliance, the goal of deterring future violations and obtaining swift compliance, the consideration of past penalties in similar cases, and the potential costs and risk associated with litigating these particular violations. Penalties in future cases might be smaller or larger on a per unit basis.
- (24) The penalty was based on confidential settlement communications between ARB and GORDITOS that ARB does not retain in the ordinary course of business. The penalty is the product of an arms length negotiation between ARB and GORDITOS and reflects ARB's assessment of the relative strength of its case against GORDITOS, the desire to avoid the uncertainty, burden and expense of litigation, obtain swift compliance with the law and remove any unfair advantage that GORDITOS may have secured from its actions.
- (25) Now therefore, in consideration of the payment on behalf of GORDITOS to the Air Pollution Control Fund and the Peralta Colleges Foundation, ARB hereby releases GORDITOS and their principals, officers, agents, predecessors and successors from any and all claims, ARB may have or have in the future based on the circumstances described in paragraphs (1) through (23) of the Recitals. The undersigned represent that they have the authority to enter into this Agreement.
