# Stationary Certification

- Large engine template revised to issue stationary compression ignition certificates
- Shared implementation responsibility with OAQPS, OECA and Regional Offices
- Stationary spark ignition rule projected to be finalized December 2007
- Questions regarding the proposed SI rule should be directed to OAQPS

# Other Issues

- Marine CI – Engine Family Names
  - Position 5 “N”
  - See CISD-07-03
- Alternative emission labels require approval – including a label in a container field of an application is not sufficient
