DMS Submittals

- Improvement since 2009
- Still have issues in selecting work flow template
- PDF images sometimes are not readable by DMS
- Filename → keep same filename for re-submittal

DMS—Next Steps

- New Hardware to be installed for better performance and security
- OBD documents will be submitted electronically into DMS

HD-Ecert Status

- Draft Data Elements – release early summer
- Submittal Process Workshop – (~September `10)
- General System Testing – Spring ~ Summer 2011
- Fully Active – Fall 2011 for All 2012 MY Apps

Ecert—Next Steps

- Spark-Ignition Engines
- Recreational Marine
