|  <b>CALIFORNIA</b><br>AIR RESOURCES BOARD | <b>REC BOAT HOLDINGS, LLC</b> | <b>EXECUTIVE ORDER U-W-055-0014</b><br>New Spark-Ignition Marine Watercraft |
|----------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------------------------------------------------------------------|

Pursuant to the authority vested in California Air Resources Board by Health and Safety Code Sections 43013, 43018, 43101, 43102 and 43104; and

Pursuant to the authority vested in the undersigned by Health and Safety Code Sections 39515 and 39516 and Executive Order G-14-012;

**IT IS ORDERED AND RESOLVED:** That the following new spark-ignition marine watercraft produced by the manufacturer is certified as described below. Production watercraft shall be in all material respects the same as those for which certification is granted.

|                                     |                                             |                        |                          |
|-------------------------------------|---------------------------------------------|------------------------|--------------------------|
| <b>MODEL YEAR</b>                   | <b>EVAPORATIVE FAMILY</b>                   | <b>WATERCRAFT TYPE</b> | <b>WATERCRAFT LENGTH</b> |

**BE IT FURTHER RESOLVED:** That for the listed watercraft, the manufacturer has submitted, and the Executive Officer hereby approves, the information and materials to demonstrate certification compliance with 13 CCR Section 2859 (labeling) and 13 CCR Sections 2860, 2861, and 2862 (emission control system warranty).

Watercraft certified under this Executive Order must conform to all applicable California emission regulations.

**This Executive Order is only granted to the evaporative family and model-year listed above. Watercraft in this family that are produced for any other model-year are not covered by this Executive Order.**

Executed at El Monte, California on this 15<sup>TH</sup> day of May 2019.

Allen Lyons, Chief  
Emissions Compliance, Automotive Regulations and Science Division
