

Pursuant to the authority vested in the Air Resources Board by the Health and Safety Code, Division 26, Part 5, Chapters 1 and 2; and

Pursuant to the authority vested in the undersigned by Health and Safety Code Sections 39515 and 39516 and Executive Order G-14-012;

**IT IS ORDERED AND RESOLVED:** That the following equipment produced by the manufacturer is certified as described below. Production equipment shall be in all material respects the same as those for which certification is granted.

| ENGINE DESCRIPTION                                                                                                                         |                               |                                  |                                                                                     |

**BE IT FURTHER RESOLVED:** That the listed equipment is not subject to the evaporative emission standards in 13 CCR Sections 2755 for the aforementioned model-year pursuant to 13 CCR Section 2766(a) (exemption for low permeation tanks).

This Executive Order is only granted to the equipment models and model-year listed above. Equipment that is produced for any other model-year is not covered by this Executive Order.

This Executive Order hereby supersedes Executive Order U-U-016-0489 dated May 15, 2017.

Executed at El Monte, California on this 9 day of November 2017.

Annette Hebert, Chief  
 Emissions Compliance, Automotive Regulations and Science Division
