SUBJECT: CARL MOYER PROGRAM ADVISORY GROUP PUBLIC MEETINGS

I am pleased to announce the next round of Carl Moyer Program Advisory Group meetings and invite all interested stakeholders to participate. Air Resources Board (ARB) Member Sandra Berg has agreed to continue to lead the group.

Recognizing that the advisory group has played a key role in the development of the Carl Moyer Program, the ARB has committed to conduct bi-annual Carl Moyer Program Advisory Group meetings. We anticipate that this group will continue to be a vital forum for the discussion of emerging policy issues relating to incentive programs.

The first meeting will be held at the following time and place:

Date: September 18, 2008

Time: 10 am to 1 pm

Place: Air Resources Board
Monitoring and Laboratory Division
First Floor Conference Room
1927 13th Street
Sacramento, California 95814

An agenda will follow in early September. The second meeting will be held in Southern California in March or April 2009. Details for that meeting will be announced early next year.
