SUBJECT: INCENTIVE PROGRAMS ADVISORY GROUP PUBLIC MEETING

The staff of the Air Resources Board (ARB or Board) invites you to participate in a public meeting of the Incentive Programs Advisory Group (IPAG) at the time and place noted below to discuss the implementation of California's air quality incentive programs.

DATE: October 9, 2014

TIME: 11:00am – 2:30pm

PLACE: South Coast Air Quality Management District

21865 Copley Drive

Diamond Bar, California 91765

This meeting is intended to be a continuation of the evaluation of the Carl Moyer Memorial Air Quality Standards Attainment Program (Carl Moyer Program) started at the recent June 2014 IPAG discussion. This October meeting will focus on discussing Carl Moyer Program enhancement concepts in these four areas: Greenhouse Gas Pollutants, Leveraging Funds, Project Cost Effectiveness, and Additional Project Categories. These themes were identified after compiling and reviewing the June IPAG discussion results and additional feedback received from the Air Resources Board at the July Board meeting. The agenda for the meeting will be made available at the following website prior to the meeting date:

http://www.arb.ca.gov/msprog/moyer/advisory.htm

<u>Background</u>: The IPAG is led by Board Member Sandra Berg and provides a forum for discussing policy level considerations relating to the implementation of California's air quality incentive programs, including the Carl Moyer Program, Proposition 1B: Goods Movement Emission Reduction Program, Enhanced Fleet Modernization Program, Lower-Emission School Bus Program, AB 118 programs, and other locally run air district programs. The June 2014 meeting focused on the evaluation of the Carl Moyer Program. A summary from this meeting can be found at http://www.arb.ca.gov/msprog/moyer/advisory.htm.
